

SPRINGTIMES Newsletter

September 2019 - Issue No. 1: 2019-20

E-Edition - www.hsieducation.org

NOTE FROM PRINCIPAL'S DESK

Dear Parents,

Greetings from Hill Spring International School!

Welcome to our first "Springtimes" edition for this Academic Year.

"Back to School" was very exciting with the declaration of our outstanding IBDP (Gr 12) results wherein all 47 students were awarded the prestigious diploma with the topper scoring a full 45 points. The average score for this batch was 39 out of 45.

This was soon followed by the IGCSE (Gr 10) results in August with 39 students securing an International Certificate of Education (ICE) distinction certificate and only 1 student securing the ICE merit certificate.

In June 2019, 24 students and 2 teachers went on a French Language Student - Teacher exchange programme to Bretagne, Ancey and of course Paris.

I am also privileged and proud to share with you the outstanding success we had had where 39 students comprising of 5 Junior and 8 Senior teams participated at the World Scholar's Cup 2019 - Global Round at the Hague - Netherlands. In the Junior category, one of our HSI teams won the first place in the Global round and one of the teams in the Senior category won the second place in South Asia. All our 13 teams qualified to compete in November 2019 at the Tournament of Champions in Yale, USA.

With much enthusiasm and a pertinent message the Independence Day Assembly was staged by Gr 11 for the whole school. The other events celebrated were Janmashtami, Teachers' Day, the Senior School English Elocution Extempore Competition & Gandhi Jayanti followed by our mega Middle & Senior School event "EXPRESSIONS".

Looking forward to many more prestigious awards in this Academic Year and beyond.

Warm regards,
Nalini Pinto

GLOBAL ROUND 2019

World Scholars Club

TOP WSC LAURELS FOR HILL SPRING SCHOLARS - THE HAGUE GLOBAL ROUND

Hill Spring International School furthered its robust and credible presence at the 2019 The Hague Global Round (July 21-26) of the World Scholar's Cup among 1900 scholars from 51 countries.

Towering over them, the School's junior team of **Anaya Sheth, Uddant Patodia and Shreya Tandon** emerged victorious with the **1st Junior championship world team rank** at this Global Round.

The senior team of **Yug Goradia, Jahnvi Choraria and Jash Parekh** achieved the **23rd global rank and the 2nd South Asia rank**. Grade 8 student **Anaya Sheth** and Grade 12 student **Yug Goradia** emerged as the top School scholars with **global ranks of 6 and 9** respectively. The senior team of **Kiara Wassoodev, Raina Talwar Bhatia and Maahin Jain** emerged as the **top ranking Collaborative Writing Team** at this Global Round. Another honour was that **Anaya Sheth carried the Indian flag in the closing ceremony** representing all Indian schools.

Jahnvi Choraria, Tarvin Arora and Sidhant Sharma performed at the Seniors Scholar's Show. All students and teams performed commendably to win top ranks in the Debates, Quizzes and Essay writing in the Individual and Team events that comprise this immensely challenging and stimulating academic tournament.

The entire Hill Spring delegation of 39 junior and senior scholars has qualified for the Yale Tournament of Champions in November 2019 to compete with the qualifiers from the other six global rounds

JUNIORS DIVISION :

Overall Championship

Rank 1 - Anaya Sheth, Uddant Patodia, Shreya Tandon

Rank 24 - Mehek Vora, Aadit Zaveri, Krishaanu Kapadia

Rank 36 - Aashi Bagaria, Nitya Doshi, Hrishika Shah

Rank 92 - Soham Doshi, Arhant Jajodia, Anushka Sonawala

REGION-WISE CHAMPION TEAMS: SOUTH ASIA

- Rank 1 - Anaya Sheth, Uddant Patodia, Shreya Tandon
- Rank 3 - Mehek Vora, Aadit Zaveri, Krishnaanu Kapadia
- Rank 5 - Aashi Bagaria, Nitya Doshi, Hrishika Shah
- Rank 10 - Soham Doshi, Anushka Sonawala, Arhant Jajodia

Overall Champion Scholars

- Rank 6 - Anaya Sheth
- Rank 23 - Mehek Vora
- Rank 51 - Uddant Patodia
- Rank 56 - Aashi Bagaria
- Rank 73 - Shlok Rawat
- Rank 88 - Krishnaanu Kapadia

SENIOR DIVISION

Overall Champion Scholars

- Rank 23 - Yug Goradia, Jahnvi Choraria, Jash Parekh
- Rank 29 - Sidhant Sharma, Jash Shah, Prakhar Goel
- Rank 44 - Ananya Vora, Ananya Kalantri, Zahra Hamdulay
- Rank 53 - Aalia Jagwani, Harshvardhan Zaveri, Siddh Mehta
- Rank 54 - Kiara Wassoodew, Maahin Jain, Raina Talwar Bhatia
- Rank 59 - Gigi Pandole, Agastya Bahl, Ananya Rathi
- Rank 69 - Vansh Shah, Tiana Pandole, Tarvin Kaur Arora
- Rank 73 - Devarya Shah, Nysa Adurkar, Aryan Shah

REGION-WISE CHAMPION TEAMS: SOUTH ASIA

Rank 2 - Yug Goradia, Jahnvi Choraria, Jash Parekh

Rank 5 - Sidhant Sharma, Prakhar Goel, Jash Shah

Rank 8 - Ananya Vora, Ananya Kalantri, Zahra Hamdulay

Overall Champion Scholars

Rank 9 - Yug Goradia

Rank 44 - Harshvardhan Zaveri

Rank 45 - Ananya Rathi

Rank 47 - Sidhant Sharma

Rank 50 - Aalia Jagwani

Rank 52 - Kiara Wassoodew

Rank 68 - Prakhar Goel

Rank 71 - Raina Talwar Bhatia

Rank 75 - Jahnvi Choraria

Rank 91 - Siddh Mehta

Rank 95 - Ananya Vora

HMUN, India

19 students from Grade 9 -11 attended **HMUN India 2019 in Hyderabad** from 15th – 18th August. Jash Parekh of Grade 12 served as an Asst. Director in the UNHCR. The Harvard Secretariat repeatedly emphasized the need for "kind and compassionate" delegates who succeeded in convincing others and forming blocs without any aggression or bullying. We are very proud of the HSI delegates who steered their way through tricky situations and potential conflicts in committee with diplomacy and courtesy. The delegates debated on various issues such as the effects of climate change, economic growth in post colonial nations, the plight of urban refugees,

state sovereignty in South East Asia, prevention of nuclear disasters and the Sino Indian border dispute. The delegation earned 8 well deserved awards:

Vansh Shah: Best Delegate in ASEAN

Aryan Shah: Best Delegate in IMF

Jash Shah: Outstanding Delegate in UNHCR

Siya Bhansali and Tisha Jhaveri: Outstanding delegates in UNSC

Karan Vora: Honorable Mention in DISEC

Maahin Jain: Honorable Mention in UNDP

Tarvin Kaur Arora: Diplomatic Commendation in SPECPOL

BDSMUN 2019, 30th Aug - 1st Sept

BDSMUN, Mumbai

The Hill Spring Delegation to the **BDSMUN 2019** over the weekend of August 30, 31 and September 1, has emerged with flying colors and much adulation! The school has been recognized as The Best Large Delegation with 15 of the 19 students winning prestigious awards and the Best Delegate in the Night Crisis also being awarded to Jash Shah from Hill Spring International School. The students debated on a variety of topics across the DISEC, the UNHRC, the Lok Sabha, the Security Council and the ICJ with topics ranging from conflict and peace keeping issues to humanitarian ones. Raina Talwar Bhatia, Jash Parekh, Siddh Mehta and Aaryan Shah also served on the Executive Board as Guest Chairs. The school applauds the efforts of the delegates and Guest Chairs alike, and takes great pride in congratulating all the **award winners: Jash Shah, Siya Bhansali, Reeyan Udani, Abishek Avarsekar, Devarya Shah, Vansh Shah, Sidhant Sharma, Hitansh Doshi, Karan Vora, Vivaan Sharma, Aadit Zaveri, Tarvin Arora, Parth Doshi, Mehek Vora, Tia Mittle.**

CMUN delegation

CMUN, Mumbai

A delegation from the Hill Spring International School took part in the Cathedral Model United Nations (CMUN) 2019 over the weekend of 23rd, 24th and 25th August. The delegates debated on some very pertinent topics in committees like the United Nations Commission on Narcotic Drugs, the Special Summit on the Venezuelan National Crisis, the Emergency Summit of the International Civil Aviation Organization: 2001, and the Special Political and Decolonization Committee. Some delegates also contested key historical events and ideas in committees like the Imperial Council of the Qing Dynasty: 1895 in which Yug

Goradia debated from the perspective of the then Dowager Empress, and the Historical Security Council in which Kushaal Patel and Harshvardhan Zaveri debated as a double delegation. Another three delegates, namely Aalia Jagwani, Mriganka Maroo and Jahnvi Chorarai reported on the conference through their individual publications in the Press Corps. The Hill Spring delegation was well rewarded with **Aalia Jagwani** winning the Best Delegate award in the Press Corps, **Kushaal Patel and Harshvardhan Zaveri** winning an Honorable Mention in the Historical Security Council, and **Yug Goradia** getting a Verbal Mention in the Imperial Council.

ABMUN delegation

ABMUN, Mumbai

Ten students of Grades 9 and 10 participated in ABMUN 2019, the MUN conference organised by Aditya Birla World Academy from 20th – 22nd September. Our delegates were thoroughly engaged in committee as they debated on topics like China's debt trap diplomacy, the effect of the GST and the IL&FS crisis in India, and the controversy over the Kohinoor diamond: was it stolen from India or was it gifted to Britain? Two committees also revisited the past and had a fresh look at the Vietnam war, and the tension between Iran and US following the end of the Pahlavi dynasty with the fall of the Shah, and the rise of Ayatollah Khomeini. At the end of the conference Jayden Dabral commented that it was "enlightening" to learn from experienced munnors, while Agastya Bahl described the three days as "fabulous"! The HSI delegation won three awards - **Jash Shah and Prakhar Goel** were judged as the outstanding delegates of their committees, while **Vivaan Sharma** won an Honourable Mention award.

Independence Day Celebration

Grade 12 students of IBDP presented a **one-act assembly titled 'V Cycle' on 14 August 2019 to celebrate the 73rd Independence day** at the school cafeteria. The ensemble wanted the narrative to be relevant to present day young Indians, keeping in mind the students from Grade 1 to 12 were the target audience.

Themes of patriotism, national pride and progress embellished the performance but with a twist. Ideation team member Pratham Sarvaiya tactfully chose the historical event of Independent India's first Prime Minister, Mr. Jawarhal Nehru's delivering his famous Tryst with Destiny speech at midnight on 15 August 1947. Then this real life event was enhanced with fiction, when the infamous sci-fi time traveller character of Doctor Who transports Pandit Nehru from 1947 to 2019 India. The confusing realities of

present day Independent India surprised, and even appalled the first prime minister. In order to bring the order back, PM recalls the unsung hero, Venkayya Pingali, the man who designed the Indian National Flag to remind us what the national tricolor stands for and what the Ashoka chakra (wheel) in the center represents. Audience saw these real and fictional characters come alive on stage, along with a personified version of the web search engine Google as one of the main characters.

In essence, one could say, that the grade 12 students had their own tryst with destiny when it was decided this year's Independence assembly will be done by grade 12 instead of grade 11. Thus, the 26 twelfth graders: enthusiastic, motivated and wanting to make the most of their last year at Hill Spring International grabbed this opportunity together to put up this one last performance before their graduation. It was well-received and much appreciated for its simple yet intriguing plot line.

English Extempore Competition

Senior School English Extempore Competition

Fourteen students of Grades 9 -12 participated in the Senior English Extempore Speech Competition on 28th August 2019. Addressing an audience with very little prior preparation can be extremely daunting, but our finalists rose to the occasion and spoke with clarity and confidence displaying winsome poise on stage.

Kushaal Patel's brilliant and witty speech on his frenemy Time earned him the **first place in the Grades 11 and 12 category.**

Second prize winner Anyyaa Patodia impressed the audience with her views on whether beauty should be enhanced by Science and Technology.

The third place was shared by Aamir Arsiwala and Aryan Shah.

Harshita Aggarwal's passionate speech on the Climate Crisis won her the **first place** among the competitors from Grades 9 and 10.

The second place went to Sidhant Sharma who entertained the audience with his views on how his life could be presented on TV.

Prakhar Goel's humorous take on a memorable de-cluttering experience earned him the **third place.**

The English department congratulates the winners and commends all the participants for their effort.

Teacher's Day Celebrations

On the 30th of August, we students were given the opportunity to give back to the most important people in our academic lives: our teachers. In the days leading up to it teachers displayed their sartorial virtuosity managing ensembles for Hawaiian Day, Black and White Day and Twinning. The day began with a bang as members of the Student Council and volunteers from Grade 12 put up a carnival for the teachers on the green patch. The carnival featured a variety of stalls, such as a photo booth stall; a minute to win it stall, and food stalls with delicious samosas, pizzas, cookies and cakes. The photo booth in particular proved to be a very popular

choice as teachers let loose and enjoyed themselves by dressing up in a variety of costumes. When asked about the carnival later that day at the assembly, a resounding majority of the teachers said they would like to see something similar next year.

After the carnival, teachers eagerly awaited the student performances and they did not disappoint! Students from the PYP to the IB showcased their talents and left the teachers spellbound including one performer from grade 6 who showed off his beat boxing skills impromptu. Moreover, members of the Student Council prepared a video to thank the teachers and compliment the

Applaud-worthy Assemblies

hard work they had put into their outfits for the entire week leading up to Teacher's Day.

Additionally, teachers showed off their skills with a singing and an acting competition. Ms Palak, Ms Sayali, Madame Sangeeta and Sherwyn Sir amazed everyone with their improvisation skills and the IB teachers emerged victorious in the singing competition. It was an amazing day and we hope to have more Teacher's Day Celebrations like this one in the future!

Raina Talwar Bhatia,
Grade 11

Janamashtami Celebration

The festival of Janamashtami was celebrated with much awaited excitement and enthusiasm by the entire school. Our young 'govinda's' danced to foot tapping music and cheered on for their friends, who broke the dahi-handi under the careful supervision of the teachers.

CAS Camp

Nature Turks CAST away Camp

Grade 11 students from Hill Spring International School participated in a CAS camp called the "Nature Turks CAST away" programme from August 11th to August 14th, 2019. The camp site was in a picturesque village called Shahpur, a two-hour drive from Hyderabad, which allowed students to enjoy the exquisite mountains with unique rock formations en route.

The camp days began with training in basic camping knowledge such as navigation, using a compass, rope skills and bushcraft, where students honed skills and abilities that they could not in the city. Then followed the extremely strenuous activities such as rappelling, zip-lining and long treks at the Golden Boulder and the Khilla Ganpur fort through which students enjoyed nature's lovely sights and appreciated the rare

flora and fauna in their pristine environment.

Creativity, skills in problem solving and collaboration were triggered through activities like the catapult-building contest. The Ingredi-Hunt, where students learned to cook from scratch with organic ingredients and minimal additives, proved thoroughly enjoyable to them. And finally, the Village Immersion programme sensitised students to the workings, the rigour and the challenges of rural life making students appreciate their own position of privilege and the values of patience, fortitude, harmony with nature, to be imbibed.

Thus, the Camp integrated the 3 strands of CAS namely Creativity, Activity and Service. Creativity includes exploring the intuitive child in us. Activity includes physical discipline leading to a healthy life style. The Service component calls for an awareness of the needs of the socially and economically disadvantaged and responding to it. The Camp helped students identify their strengths, explore new and unfamiliar challenges through creative learning styles. It further helped the students to communicate and collaborate with their peers and become more sensitive to the economically less privileged. The Camp helped the students move out of their comfort zones and infused a strong group morale within the class.

Spain Trip

¡Viva España!

As part of their Spanish Ab Initio course of the IBDP, 13 students of Grade XI travelled to Spain from June 2-14, 2019, accompanied by their teachers, Ms. Anuya Naik and Ms. Kaushalya Patel. This trip enabled the students to immerse themselves in Spanish language and culture.

CELEI, an institute based in Granada, was the centre for the students' language lessons. The frequent interactions in Spanish, in class and outside, with natives of the country, have been a tremendous boost to the students' confidence.

The Spanish lessons were interspersed with day trips and visits to historical and cultural sites in different cities: Madrid – Prado museum, Royal Palace, Santiago Bernabeu Stadium (Kushaal Patel motivated all his friends to sing the anthem of Real Madrid in the stands); Granada – Alhambra; Córdoba – Mosque-Cathedral; Nerja – pre-historic caves; and Toledo – Synagogue and Cathedral.

A major highlight of this trip was a 'Tablao de flamenco' which proved to be an amazing culmination to the Flamenco lessons for students. Another interesting activity was a scavenger hunt involving the wonderful and creative graffiti artwork in the Realejo neighbourhood of Granada which allowed for a discussion on various social issues. HSI students also thoroughly enjoyed a game of football against children of a local school; and incredibly, our kids won it in a penalty shootout!

Food is a window to any culture and helps one learn more about the people of a region. Spanish gastronomy is varied and colourful, made of fresh ingredients and produce, and the students and teachers had a splendid time trying various local delicacies like paella, gazpacho, churros con chocolate, piononos, assorted meats and ham, and much more.

Our students' enthusiastic participation in all the activities and their zest for learning, combined with incredible learning experiences and the amazing Spanish people, made this an unforgettable school trip.

Trip to Varanasi

Weaving Histories in Varanasi

The Hindi Students of Grade 9-12 undertook a cultural tour of the historic city of Varanasi, the oldest living city in the world and arguably the cradle of Hindi culture and civilization, from 5th-7th September.

The students visited several temples such as Kashi Vishwanath Temple, Durga Mata Mandir, Sankat Mochan Mandir and the Museum of Manas Mandir, which depicted the chapters of Ram Charit Manas electronically. This reinforced the values and traditions of Indian culture and enlightened them about the origin of these holy places. They visited Assi Ghat, (one of the several ghats of the Ganges), wherein, they witnessed the spectacular Ganga Aarti and Chanting of Mantras, thereby elucidating the culture and heritage of Indian legends and mythological stories. At the Bharat Kala Sangrahalay (Indian Art Museum), Asia's largest University Museum, students visited among other exhibits: the Sculptures and Medieval Art Pieces tracing back to the 1st Century, Artefacts of the Indian Textile Industry, the Coins Gallery, the Terracotta Gallery and the Archives of Mythological Characters.

The students also visited the Hindi Department of the Benaras Hindu

University where a University Professor gave a talk about the interdependence of Indian languages, the impact of Globalisation on Hindi and its role in the contemporary business world. Students thoroughly enjoyed a visit to a Saree factory, where they learnt about the operations and techniques of production of authentic Banarasi Sarees. Lastly, through a visit to a Stupa, a Chinese Temple, a Monastery and a Thai Temple, students obtained an understanding about mindfulness depicted through the life and teachings of Gautam Buddha.

Junior Kg

Mrs. Sheth (Aryaman Sheth's mother) an interior designer had an interactive session with the Jnr kg learners about how a house is turned into a home.

The learners understood that in order to make a home the interiors have to be as per the choice of its inhabitants which makes their home a reflection of them.

Senior Kg - World of Stories

As part of their ongoing unit-Stories, an author -Ms Lubaina Bandukwala, visited the learners of Snr KG and spoke to them about what it takes to make a 'Story'. The inquisitive young learners were curious to know about where she gets her ideas from, who

illustrates her book and how they get printed. They concluded that different imaginations give rise to different ideas and thus- 'the world of stories'.

Junior Kg

Mrs. Darbar (Umar's mother) and Mrs. Shah(Kahaan and Kavvish mother) had an interactive session with the Jnr kg learners about the similarities and differences between their homes(culture, religion, beliefs and values)

The learners understood that every home is unique and is a reflection of an individual.

Grade 8 Build an Atom

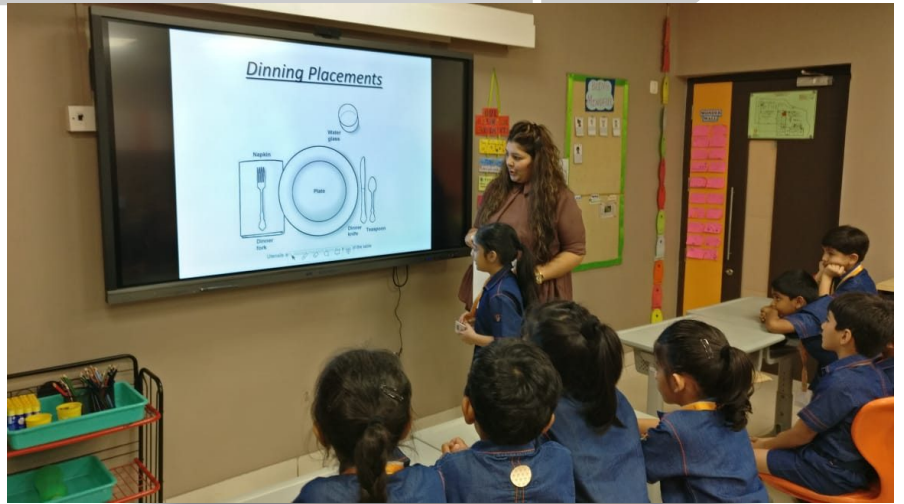

In the first week of August, students of grade 8 did a group activity called 'Build an Atom' during Chemistry class. Students were given clues to identify atoms. After identification students had to show the structure of the atom using coloured stickers.

Grade 1, Social & Table Etiquettes

Mrs. Shah came in as a guest speaker to talk to the students about social and table etiquettes. The students enjoyed the interactive session and were engaged in the games she planned for them.

Grade 2 Nutritionist- Ms. Damaria

Ms. Damaria spoke to the students about the five different foodgroups, the importance of eating a balanced meal, rest and exercise in our day to day life.

Grade 4, Digital Technology

Students of Grade IV learnt how digital technology is extensively used in the field of art and animation. They also learnt about the various devices that aid artistic expression.

Grade 4, Mindfulness

Priyanka Sethi spoke to the students about: Mindfulness, Its advantages and ways in which one can attend mindfulness.

Grade 4

Aksh Dudeja from Grade V introduced the students of Grade IV to digital technology and Robotics.

Students of Grade IV learnt how digital technology is extensively used in our school. They got acquainted to various apps used by our school like Edu Cloud, Outlook, Google Maps etc.

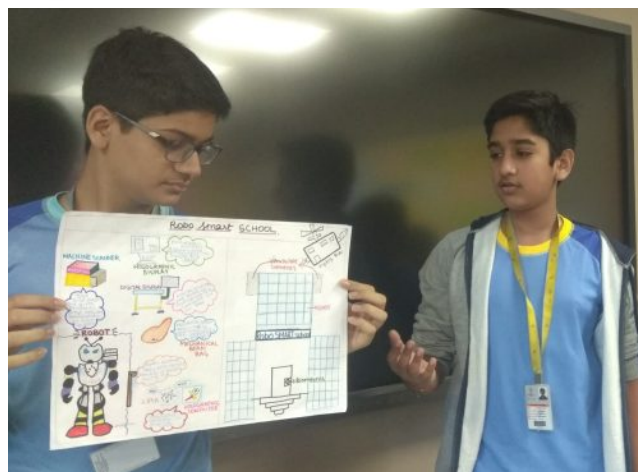

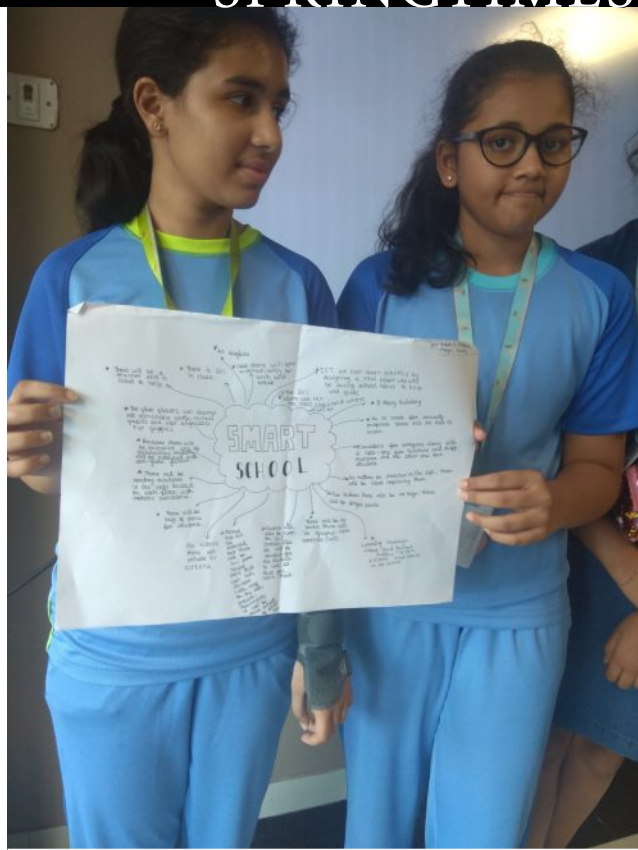

Global Perspectives

During the first two weeks of August, Grade 7 GP learners understood the formation of rocks and reasons for differences in colour and texture by comparing them to different types of chocolates. Next, they learnt about the transformations rocks undergo, by playing the rock cycle game.

The concept of weathering was introduced by demonstrating the changes a cube of sugar undergoes when exposed to physical, chemical and biological stimuli.

Overall, learning made fun!

|

Grade 7 learners built upon their collaboration and communication skills via the GP topic, Digital World. The learners collaborated in teams, to come up with a plan for a school of the future, which was then presented using a mindmap.

Grade 3, Travel Agency

The students of Grade 3 visited Hind Musafir Travel Agency. The purpose of the visit was to understand how good planning and interpretation of maps helps develop cost and time effective routes for travel.

Junior KG Construction Site

The focus of the field trip was to tie-up with our LOI1 — Resources to build a home. The learners understood the properties and uses of different materials and reasons why they are used to build a home. They also realized the importance of following precautions such as wearing helmets, safety shoes, jackets, harness etc. while working at the construction site.

Grade 1, NSS Balwadi

The students of grade 1 visited the NSS Balwadi. The purpose of the visit was to understand that there are various factors that influence a persons behaviour/lifestyle.

Grade 3, Dr. Bhau Daji Lad Museum

The students of Grade 3 visited the Dr. Bhau Daji Lad Museum. The purpose of the visit was to view the different maps of Mumbai and understand that maps are a valuable resource. They also understood the history of how maps of Mumbai have evolved.

Grade 5, Nehru Science Centre

The visit to the Nehru Science centre was an enriching one for the grade 5 students. They were able to explore various systems in the human body and were able to develop and appreciate the interconnectedness and functionality of all our internal organs. Students reflect, thought and wondered about the marvel that is the human body and its intricacies.

Grade 5, BMC Ward

The students of Grade V visited the BMC 'D' Ward in connection with their unit. They had the privilege of interacting with the Assistant Commissioner of 'D' Ward, Mr Vishvas Mote who was gracious enough to provide the students with an insight into the roles and responsibilities of the BMC. The students played their part as responsible citizens and discussed issues and solutions with the commissioner with an open-mind.

Grade 4, Dessert Street

Students of Grade IV visited a cloud kitchen to experience the scope of digital marketing in this field.

Grade 4, Sumer Trinity

Students of Grade IV visited a club house which uses digital technology for sport, entertainment and fitness.

Grade 4 at the Intelligent Game Court - Sumer Trinity

Grade 5, NCPA

Grade 5 went on a field trip to NCPA on Monday – September 16, 2019 to be part of an open rehearsal of Symphony of India conducted by Mr. Zane Dalal. The orchestra performed the works/compositions of the great German composer 'Richard Wagner'.
